MEMORANDUM

TO: Council of Chief Academic Officers (CCAO)
Hawai'i Papa O Ke Ao
FROM: Donald O. Straney, Ph.D.
Vice President for Academic Planning and Policy
SUBJECT: New CIP Code for Hawaiian Language and Literature

Handwritten signature of Donald O. Straney

The Classification of Instructional Programs (CIP) Code is used by all U.S. institutions to track and report fields of study. Every ten years, the CIP is updated. The required/ mandated CIP 2020 changes were implemented in Banner. This included changing the CIPs for Windward CC's Veterinary programs and UH West O'ahu's Applied Forensic Anthropology program.

There are also new CIPs which can optionally be changed per the institution's discretion, with the understanding a change in CIP may impact financial aid and/or STEM eligibility. Neither should be the case for UH programs using the new CIP designation.

New CIP Code: 16.1409
Title: Hawaiian Language and Literature.
Definition: A program that focuses on the Hawaiian language and related dialects. Includes instruction in philology; dialects; and applications to business, science/technology, and other settings.

Table with 7 columns: Institution, Program, Program Desc, Major, Major Desc, Current CIP, Current CIP Description. It lists various programs like HAW-BA, MA-HAWL, PHD-HILC, HWSL-SC, SC-HAWC, and SC-HWSL.

Once a decision has been made, the Institutional Research, Analysis and Planning Office (IRAPO) will complete the necessary paperwork for signature by your campus.
