An Equal Opportunity/Affirmative Action Institution

BACKGROUND:

The previous Director of the Ocean Policy Certificate, Professor John Lynham, Department of Economics has recently stepped down. A call from the Dean to faculty in the College concerning an opening for a new director of the program, resulted in Associate Professor Brian Szuster, Department of Geography and Environment, being recommended for this role by Dean Konan and appointed by Dean Aune. Professor Szuster has significant expertise in marine policy, planning and aquaculture. We believe that the Graduate Certificate will flourish under his leadership.

ACTION RECOMMENDED:

It is recommended that the Interim Associate Vice Chancellor for Academic Affairs approve the change in coordination locus of the Graduate Certificate in Ocean Policy from the Department of Economics to the Department of Geography and Environment.
