SUBJECT: TERMINATION OF DrPH Program

SPECIFIC ACTION REQUESTED:

We would like to request termination of our DrPH program for Fall 2022

RECOMMENDED EFFECTIVE DATE:

Fall 2022

ADDITIONAL COST:

None

PURPOSE:

Our accrediting body, the Council on Education for Public Health, wanted existing DrPH programs to focus on leadership training. Our DrPH program was developed as a rigorous academic program to train public health professionals in community based participatory research, and we wanted to maintain our rigorous academic scholarly focus more in line with academic programs leading to the PhD degree.

BACKGROUND:

We transitioned our DrPH program into a PhD program to maintain its academic rigor and research focus. Our accrediting body, the Council on Education for Public Health (CEPH), wanted to transform existing DrPH programs to have a more leadership training focus and we wanted to maintain our rigorous academic and applied research focus. The PhD program provides graduates opportunities in PH that are as advantageous or more than the DrPH. The DrPH as redefined by CEPH in 2016, is a practice degree and does not train students to become faculty researchers or instructors. The UH Board of Regents approved the establishment of the PhD in Public Health in a memo dated November 17, 2017. Spring 2017 was the last semester students graduated with the DrPH degree. We confirm there are no students in the DrPH program.

ACTION RECOMMENDED:

We would like to recommended termination of our DrPH program for Fall 2022.
