SUBJECT: CHANGES TO THE ASSOCIATE OF SCIENCE IN NATURAL SCIENCE (ASNS) DEGREE

On May 1, 2015 the UH Community College (UHCC) Vice Chancellors for Academic Affairs (VCAA) met with the UH System Director of STEM Education and other UHCC administrators to discuss the ASNS degree. At that meeting VCAs agreed that the ASNS degree would have four concentrations:

1. Biological Sciences – AS-NSCI-BSC
2. Engineering – AS-NSCI-ENGR
3. Information and Communications Technology – AS-NSCI-ICT
4. Physical Sciences – AS-NSCI-PSC

This change will eliminate confusion, allow the UH System to more easily to track and report student enrollment, retention, transfer and graduation, help to clarify articulation, and will simplify the message to students, college advisors and high school counselors.

To fulfill this agreement the following changes need to be completed with an effective date of Fall 2016:

- Hawai'i Community College:
No action
- Honolulu Community College:
No action
- Kapi'olani Community College:
Change AS-NSCI-CSCI to AS-NSCI-ICT
Change AS-NSCI-LFSC to AS-NSCI-BSC

- Kaua'i Community College:
Delete AS-NSCI-PBS (recommend AS degree)
- Leeward Community College:
Change AS-NSCI-CSCI to AS-NSCI-ICT
Change AS-NSCI-LFCI to AS-NSCI-BSC
- Maui College:
No action
- Windward Community College:
No action

Currently, there are multiple descriptions for AS-NSCI-ENGR in the UH Banner System for the same code. The Office of STEM Education will coordinate with the Institutional Research and Analysis Office to eliminate the multiplicity and adopt a single common ASNS ENGR Banner description. No action is required by the campuses.

All future requests are to fit in one of the four concentrations listed above. Additional ASNS concentrations will need to be approved by the UHCC VCAAs in conjunction with the Office of STEM Education.

Aloha Heather,

Admission stop-out scheduled for Fall 2016. This will stop any students from entering the program.

Termination scheduled for Spring 2018. This will allow all current students up to the beginning of Spring 2018 to be awarded the degree program.

Therefore, as soon as the changes are entered and scheduled into Banner, the concentrations will no longer appear on the applications due to the admission stop-out.

Let me know if there are any questions.

Mahalo,
Princess

Hi Princess,

Thanks for your patience. Grant and I decided to terminate the ASNS in CSCI and LFSC after two years which would mean Spring 2018 would be the final semester. Would that mean that after the termination paper work is approved, the two concentrations will no longer be listed on the app for a student to select as a major?
