TO: UH IRAO Department
ATTN: Pearl Iboshi

Please remove the four HawCC Exploratory codes from IRAO-UH System Application, effective immediately with the new effective term for Fall 2018.

Also, HawCC will only be offering two Exploratory Codes, instead of four. The two codes will be EXB Exploratory Business and EXHS Exploratory Health Science, effective Fall 2018.

Please make the necessary changes to reflect this.

Sincerely,
