Yes, you're correct. It should be CA-MEDA and not CA-NURS-MEDA as the code request listed. Otherwise, everything else in the code request is accurate.

Thanks!

Please confirm the following:

According to the BOR minutes attached to the original request, the CA in Medical Assisting was approved as a stand alone certificate, where the major code is MEDA.

If this is correct, your confirmation here will be sufficient, as long as everything else in the request is accurate.

Mahalo,
Princess

Hi Princess,

It was recently brought to my attention that the NURS major should be removed from the code...Is a formal request required or can this be done via email? I need to get this done as soon as possible.

Thanks!
Kathlen

BOARD OF REGENTS' MEETING

MAY 15, 2014

I. CALL TO ORDER

Chair John C. Holzman called the meeting to order at 9:15 a.m. on Thursday, May 15, 2014, at John A. Burns School of Medicine, University of Hawai'i at Mānoa, 651 Ilalo Street, MEB 314, Honolulu, HI 96813.

Quorum (13): Chair John C. Holzman; Vice Chair, James H.Q. Lee; Vice Chair Saedene Ota; Eugene Bal; Carl A. Carlson; John Dean; Chuck Gee; Ben Kudo; Coralie Matayoshi; Barry Mizuno; Randy Moore; Jeffrey Portnoy; and Jan Sullivan.

Excused: Regent Jeffrey Acido and Regent Shigemoto.

Others in Attendance: Interim President, David Lassner, PhD; Interim Executive Vice President for Academic Affairs, Joanne Itano, PhD; Vice President for Community Colleges, John Morton, PhD; Vice President for Legal Affairs and University General Counsel, Darolyn H. Lendio, Esq.; Vice President for Budget and Finance/Chief Financial Officer, Howard Todo; Vice President for Research, Vassilis Symos, PhD; Interim Vice President for Information Technology and Chief Information Officer, Steven Smith, PhD; Associate Vice President for External Affairs and University Relations, Lynne Waters; UH Mānoa Chancellor, Thomas Apple, PhD; UH West O'ahu Chancellor, Rockne Freitas; Kapi'olani Community College Chancellor, Leon Richards, PhD; UH Hilo Chancellor, Don Straney, PhD; Leeward Community College Chancellor, Manuel Cabral; Honolulu Community College Chancellor, Erika Lacro; Hawai'i Community College Chancellor, Noreen Yamane, MEd; Executive Administrator and Secretary of the Board of Regents, Cynthia Quinn; and others as noted.

Senator Michelle Kidani, on behalf of the Senate of the 27th Hawai'i State Legislature, presented Chancellor Freitas with a Senate Certificate recognizing and congratulating him for receiving the E.B. Lemmon Distinguished Alumni Award from Oregon State University, and for his accomplishments and service to the state.

Chair Holzman, on behalf of the Board, congratulated Chancellor Freitas and thanked him for his service to the state, and especially to the university over many years.

II. APPROVAL OF MINUTES OF APRIL 17, 2014 MEETING

Regent Gee moved to approve the minutes of April 17, 2014, Regent Kudo seconded the motion, and the motion carried by unanimous approval.

University of Hawai'i—West O'ahu

8. Approval of Established Status for the Bachelor of Education Degree with a Concentration in Elementary Education, UH West O'ahu

Vice Chancellor for Academic Affairs Linda Shimabukuro presented for approval changing the status of their Bachelor of Education Degree from provisional to established. The National Council for Accreditation of Teacher Education (NCATE) accredited the program last year and was given many commendations. There are close to 200 students who are majoring the Bachelor of Education, most of whom are now teaching in the West O'ahu region. The focus is to meet the needs of the Nānākuli, Waianae, and Kapolei area for highly qualified elementary, middle and secondary school teachers. Regent Gee said the Committee on Academic Affairs is recommending approval. He commended the results of the program over the past three years had been very positive and the graduates of this program are gainfully employed, well accepted in the community and retention is high. He noted that a survey done of students who went through the program was high in every single category with only one small exception of dealing with diversity in the classroom, which is not an easy issue to deal with. Regent Gee moved for approval of established status for the Bachelor of Education Degree with a Concentration in Elementary Education. The motion was seconded by Regent Moore and carried upon unanimous vote.

University of Hawai'i Community Colleges

9. Approval of New Program Proposal: Provisional Associate of Science in Business, Kaua'i Community College

10. Approval of New Program Proposal: Provisional Certificate of Achievement in Medical Assisting, Kaua'i Community College

11. Approval of New Program Proposal: Provisional Associate of Science in Plant Biology and Tropical Agriculture, Kaua'i Community College and Leeward Community College

VP Morton presented for approval of four new program proposals, three at Kaua'i Community College (KCC) and one at Leeward Community College (LCC). The provisional Associate of Science in Business at KCC would provide students with the opportunity to apply general business skills, including entrepreneurial skills to a variety of jobs on Kaua'i while preparing themselves to transfer to baccalaureate programs particularly at UHWO which offers the program on Kaua'i. The business community strongly supports the program and draws on courses already taught in applied science degrees at KCC.

The provisional Certificate of Achievement in Medical Assisting at KCC is an existing program at the lower level certificate seeking accreditation by adding a class in some of

the electronic records management, which is now required of medical assistants. Adding the class reclassifies the certificate to the Certificate of Achievement level for the one year program which requires board approval.

The two provisional Associate of Science Degrees in Plant Biology and Tropical Agriculture at KCC and LCC were jointly developed by faculty from the two programs and part of the overall effort to address some of the sustainable agriculture workforce needs in the state. The programs reflect the local agriculture communities in West O'ahu and Kaua'i, and are designed and articulated together to continue sharing between the faculty in the two programs.

Regent Gee said the Committee on Academic Affairs vetted all four of the requests and heartily recommend their approval. He noted that the Certificate of Achievement in Medical Assisting was built upon the Certificate of Completion and is particularly important since it is required to meet national certification for practice as medical assistants. The two degrees in plant biology and tropical agriculture are very important to improve food security in the state because we only provide for 10% to 15% of our own needs. These programs are important to the mission of the colleges, to our own state and communities needs, and have strong support from companies like DuPont. The committee also liked the program as a conjoined program because the two colleges came together and collaborated on the program and made sure the courses were in alignment in close cooperating with CTAHR. Regent Gee moved to approve the new program proposals for the Provisional Associate of Science in Business; the Provisional Certificate of Achievement in Medical Assisting; and the Provisional Associate of Science in Plant Biology and Tropical Agriculture at KCC and LCC. Regent Shigemoto seconded the motion and it carried upon unanimous vote.

IX. ITEMS FOR DISCUSSION (CONTINUED)

12. Report on the visits by finalists for UH President

Chair Holzman gave an update on the finalists visits, and the decision to not hire a search firm and instead utilize the services of the board office, communications staff, and HR staff. He noted and recognized the extraordinary undertaking and additional effort on top of their regular work.

He explained the agenda for the candidate schedules for the remainder of this week and next week that had been distributed to the Regents. The first week there were two meetings on O'ahu at Mānoa and Leeward Community College, meetings at Kaua'i Community College, UH Maui College, and UH Hilo, with the assistance of the neighbor islands regents. All events were reasonably attended and have been posted on online for those who could not attend. There have been more visits with administrators and campus leaders this week, and they will also be seeing various campus stakeholders. In the coming week, the candidates will be going outside in the business community. He noted that from the testimony this morning, some people are concerned about the process, but the board has tried to make it open and fair as possible.

XII. ANNOUNCEMENTS

Chair Holzman announced that the next special board meeting is scheduled for 9:00 a.m. on May 27, 2014 at the IT Center and the two presidential candidates are invited to speak to the board for one hour each and following that the board will meet in executive session to discuss the candidates. The next special board meeting is expected to be on June 2, 2014, when the board will meet in open session and vote.

XIII. ADJOURNMENT

Having no further business, upon motion by Regent Carlson and seconded by Regent Dean, and unanimous vote, the meeting adjourned at 3:14 p.m.

Respectfully Submitted,

Cynthia Quinn
Executive Administrator and
Secretary of the Board of Regents

3. **Program Title:** Medical Assisting

4. **Program Description (for catalog):**

The Medical Assisting (MEDA) program is designed to prepare students to assist physicians and APRNs in private medical offices and outpatient clinics with patient care as well as routine office laboratory and diagnostic tests. Students are also prepared to perform administrative medical office and business practices and procedures.

Program Admission Requirements:

Students will be admitted as a cohort in the fall each year. The program application period will be open from December 1 through April 1. Once the general education requirements and HLTH 140 are completed, students will be able to submit an application for admission into the MEDA program. Acceptance will be on a first qualified basis. Students will be required to have completed a nurse aide course or have six months of equivalent clinical health care experience. Progression onto the spring semester will require passing of all required courses in the fall.

Graduation Requirements:

A GPA of 2.0 or higher for all courses applicable toward the certificate or degree is needed to meet graduation requirements.

5. **Program Student Learning Outcomes:** PSLOs were approved by the Assessment Committee on 8/21/14.

1. Demonstrate professional understanding and knowledge of medical office economics.
2. Communicate effectively with all members of the healthcare team.
3. Demonstrate clinical and administrative medical assisting skills in a variety of clinical settings.
4. Demonstrate ethical and legal behavior to maintain patient safety and confidentiality.
5. Apply critical thinking skills and apply basic concepts of medical assisting to maintain safe patient care and efficient administrative procedures.

6. **Proposed Date of First Offering:** Fall 2015

7. **Is this program offered at another UH campus?** Yes No
If Yes, specify campus. If No, why is this program offered at KCC:

Hi Princess,

For CO-MEDA, I spoke with Kailana and as a "just in case" we're deciding to use an end term of Fall 2016.

For the CO-ACC-ENT, it will be Fall 2017.

Let me know if you have any questions.

Thanks!
