Hi Princess,

AAS ABRP should be turned off as of Summer 2016.

We are accepting student applications for ABRP.

The degree has been suspended but the Certificate of Achievement is still a viable option for all students.

Hi Everyone,

I checked again and ABRP - AAS and ABRP - CA are also active based on the same memo I previously attached. Please confirm that there will be no new applications accepted for these two degrees and I will inform banner?

Thank you,
Jo

Hi Keala,

Attached is documentation forwarded to banner to stop out MARR/VESL for one year beginning summer 2015. According to banner once the one year expiration was reached the program was automatically turned on for online application, because there was no instructions provided to them to extend the stop out.

I spoke to banner this morning to remove MARR/VESL until further notice; I will follow up with an email to confirm my verbal request.

Please let me know if the program will be permanently removed or changed to ensure that I provide proper documentation and communication to banner.

Please let me know if you have any questions.

Thank you,
Jo
