Hi Josephine,

Our office does not handle the manual application.

Please confirm that these are the five programs to turn off the online application:

- AAS-VESL
- CA-VESL
- AAS-ABRP
- CA-ABRP
- AS-CMGT

AS-AVIT/TR online application is already disabled.

Just a friendly reminder, registrar's are able to turn the online application on or off via email. To disable admission or any other banner module, a program code request form needs to be completed with required approval.

When sending a request, please provide the complete program code.

Your request will be processed after you confirm the programs.

Princess

Hi Princess,

We spoke at the Data Governance Seminar about some Banner codes that I needed to be removed from the selection for online and manual application process.

Please temporarily remove MARR/VESL and ABRP programs from the HonCC online application selection and also from the manual application selection. These programs have a "stop out" for the 2015-2016 academic year.

Please permanently remove CMGT and AVIT from the online application and manual application selection.

I hope this request makes sense, if not please contact me.

Thank you in advance for your assistance,  
Jo
