Re: Request to retire the course subjects "LLL" and "PER"

CC: Pheng Xiong, University Registrar
Lisa Imai, Archive Specialist

Action requested:

I request the retirement of the course subjects "LLL" (Languages, Linguistics, and Literature) and "PER" (Persian Studies).

Effective term:

Spring 2023 for LLL, and Fall 2022 for PER

Justification:

1. The subject "LLL" was for the College of Languages, Linguistics & Literature, which no longer exists due to the reorganization in July 2020. We have submitted the UHM2 forms to request the retirement of LLL courses (LLL149, 150, and 455), effective Spring 2023.
2. The OVPAE has approved our request to retire the four Persian Studies courses (PER 257, 367, 368C, and 430) effective Fall 2022. Starting Fall 2022, there will be no PER course at UHM.

Approved / Disapproved:
