MEMORANDUM

TO: Tammi Chun
Office of the Vice President for Community Colleges

VIA: Sarah Akina
Curriculum Committee Chair

FROM: Ardis Eschenberg
Vice Chancellor for Academic Affairs

SUBJECT: **REQUEST FOR PHYSIOLOGY (PHYL) SUBJECT CODE**

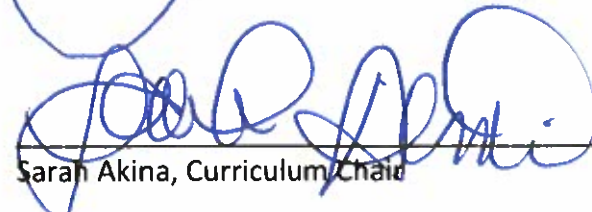

ACTION REQUESTED:

It is requested that Windward Community College be provided the Physiology (PHYL) subject code for classes.

PURPOSE & BACKGROUND:

The UHCC Natural Sciences Course Alignment Committee has agreed on adopting common course alphas, numbers, and titles for Natural Science courses taught across the UHCC's. Human Anatomy and Physiology courses, currently under the Zoology (ZOOL) alpha, will change to Physiology (PHYL) in Fall 2019.

MEMORANDUM

TO: Lance Uyeda, Chair
Curriculum Committee

VIA: Charles Sasaki, Dean *CS*
Division II

FROM: Dave Krupp, Chair *DK*
Department of Natural Sciences

SUBJECT: Natural Science Course Alignment Results

During the past year, the UHCC Natural Sciences Course Alignment Committee met and came to agreement on adopting common course alphas, numbers and titles for Natural Science classes taught across the UHCCs. If classes did not require substantive curriculum changes (e.g., splitting lecture from lab), it was decided that we would request any changes to course alphas, numbers and titles in a blanket memo. This memo is meant to serve that purpose. Please let me know if anything else needs to be done to move these changes forward.

I have attached a list of the WCC Natural Science classes to be changed along with the changes to be made. I realize that we have missed deadlines to incorporate these changes into the next version of the College Catalog. However, if possible, I would like the effective date to be Spring 2019. If that effective date cannot be used, then it should be Fall 2019.

Mahalo.
