OK. I just disabled the display of these programs for the online application effective 201630.

Just let me know when you want them re-activated. Thanks.

Melissa

Hi Geri:

Do you want me to turn them off now and would that be effective 201630?

Hi Melissa...is it possible to have our Ag programs not available for students to select online? Agriculture Technology

Plant Landscaping - landscaping Maintenance

Plant Lanscaping - Turfgrass maintenance

Sub-tropical Urban Tree Care - Arborist

Sub-tropical Urban Tree Care - Tree Worker

Admin planning on revising the program so does not want any more new students. Temporary stopping these programs. Probably will make them available later when the programs are revised. Will let you know. thanks.
