Hi Kailana,

Also, please confirm that the right department is MS, Math & Science. Department was not completed on the form.

Aloha Kailana,

The program code request for AS-NSCI-PBS has been received and reviewed.

We were recently notified that there are new federal reporting requirements for financial aid leading to new rules form in Banner. The program code request forms have not been updated to include these new rules yet. In the meantime, we are following up with open requests to complete the new rules:

1. Program Length (in academic years; decimals are acceptable so no rounding to whole number is necessary.) The length of the program should match what is published by the campus in any online and/or written publication.
2. Special Program designation - see attached file for definitions - (refer to the attached for "definitions")
  - A - Selective Admission Associate Program
  - B - Bachelor's Degree Completion Program
  - N - Not Applicable
  - P - Preparatory Coursework Graduate Professional Program
  - T - Non-credential Teacher Certification Program
  - U - Preparatory Coursework Undergraduate Programs

Please let me know if you have any questions. Thank you for your time.

Mahalo,  
Princess
