I've had to get clarification on my own on these but have done so and created the codes in Banner.

1)The Program Code Request Summary indicated Program Code PRNU-BA (supposed to be PRNU-BS) & Program Desc Pre-Nursing-BA (supposed to be Pre-Nursing-BS)

2)Created the SMAPRLE record

3)Created SOACURR and did NOT activate for the online application (conferred with Stuart)

1)Created SMAPRLE for PREN-BS(40) note: I added the (40) to help the campus with distinguishing this one from the "old one" since it looked so similar

2)Created SOACURR and did NOT activate for the online application (conferred with Stuart)

1)Changed the description of PPSY from General(Pre-Psychology) to Pre-Psychology

2)Changed Program description on SMAPRLE from General(Pre-Psychology)-BA to Pre-Psychology-BA

3)Changed the department code on SOACURR effective 201430 to Psy from CAS

4)did NOT activate for the online application (conferred with Stuart)
