Hi Princess,

Correct, the last 2 Banner Modules (General Student and Academic History) should be marked as Yes (or turned on).

Thanks!

Hi Kathlen,

Just to clarify, that when you say yes to item 3 - "The request says that current students **will be** grandfathered under the old code - this means that students who are currently admitted into the program will be given the opportunity to finish. However, the General Student and Academic History banner modules are being requested to turn off. These two modules are needed to allow students to finish the CO-POLV. Please confirm what needs to be done to CO-POLV program code." - you are confirming the following:

Grandfather current students in CO-POLV: Yes  
CO-POLV be available in Banner: Yes  
Online Application: Off, Fall 2014  
Admissions: Off, Fall 2014  
Recruitment: Off, Fall 2014  
Academic History: On  
General Student: On

Thank you!  
Princess

Please provide the answers to these questions:

1. What is the department? FYI, the CO-POLV department is LBRT, Liberal Arts, and, the AA-HWST department is LBRT too.
2. Please confirm that ASC-POLV is being requested to replace CO-POLV.
3. The request says that current students **will be** grandfathered under the old code - this means that students who are currently admitted into the program will be given the opportunity to finish. However, the General Student and Academic History banner modules are being requested to turn off. These two modules are needed to allow students to finish the CO-POLV. Please confirm what needs to be done to CO-POLV program code.

I know you may have provided some of the answers in previous email, but they have been jumbled in all of the threads, and would like to keep this simple with just a response to the questions.

Thank you!
