RE: Reclassification of General Arts & Sciences (GEAS) Category

A handwritten signature in black ink, appearing to read "Ronald E. Cambra", written over the "VIA:" line of the email header.

Thank you for your assistance in enabling us to clarify the General Arts & Sciences category. After consultation with all parties involved and movement of various pre-major populations, the Mānoa Advising Center is requesting a reclassification of the following Banner codes, based on these changes:

- Pre-PSY moved under Arts & Sciences as of Summer 2011.
- As of Fall 2012, Education allowed Pre-ED, Pre-KRS students direct admission into their programs.
- Pre-NURS moved under School of Nursing and Dental Hygiene as of September 2012.
- Pre-ENGR moved under Engineering as of January 2013.

Students currently classified as General Arts & Sciences (GEAS) will now be simply reclassified as Exploratory. The name "Exploratory" classification was selected over "Undecided" or "Undeclared" due to Financial Aid concerns that "undecided" or "undeclared" made it sound as though students were not degree-seeking and could be mistaken with "unclassified" students. In addition, this is the preferred term utilized by NACADA.

The following categories will remain: Exploratory (Pre-Business), Exploratory (Pre-Medical), Exploratory (Pre Medical Technology), Exploratory (Pre-Pharmacy), Exploratory (Pre-Dental Hygiene), Exploratory (Pre-Law) and Exploratory (Pre-Social Work.)

The categories Pre-Education and Pre-KRS will cease to exist since Education now allows direct admission into their college. As a result, remaining students classified as Pre-ED and Pre-KRS will be changed to Exploratory. Similarly the Pre-MATH and Pre-Speech Pathology and Audiology categories no longer exist and remaining students will be classified as Exploratory.

In order to reflect the correct classification of students, all exploratory majors will have their Banner college / school changed from Arts & Sciences to Office of Undergraduate Education.

Please review the attached chart with all changes and inform us whether our request has been granted. If and when approval is granted, Registrar Stuart Lau has graciously agreed to implement the changes to the students' records.
