Aloha Professor Reese,

The program code request form for AS Natural Science, Concentration in Pre-Computer Science has been received by IRAO. The form is incomplete and need information to confirm/select:

1. Major code: NSCI, Natural Science
2. Concentration Code: CSCI, Computer Science; **OR** ICS, Information & Computer Sciences
3. Is 50% or greater of the classes in this program offered at a location other than the Home Campus? Yes/No

Also, we were recently notified that there are new federal reporting requirements for financial aid leading to new rules form in Banner.

The program code request forms have not been updated to include these new rules yet. In the meantime, we are following up with open requests to complete the new rules:

1. Program Length (in academic years; decimals are acceptable so no rounding to whole number is necessary.) The length of the program should match what is published by the campus in any online and/or written publication.

2. Special Program designation (refer to the attached for "definitions")

- A - Selective Admission Associate Program
- B - Bachelor's Degree Completion Program
- N - Not Applicable
- P - Preparatory Coursework Graduate Professional Program
- T - Non-credential Teacher Certification Program
- U - Preparatory Coursework Undergraduate Programs

Thank you for your time.

Mahalo,

Princess
