Hi Princess,

Mahalo for your email and I agree with your recommendation to use the concentration code of DMVW.

Aloha Ron,

Your program code request has been received by IRAO. A concentration code was not selected. Here are a few suggestions.

- 1) Code: DMVW; Description: Video Web Casting
- 2) Code: VWC; Description: Video Web Casting

I recommend that DMVW be used, as the program description for the Digital Video for the Web can be viewed as an extension to the Certificate of Competence Digital Video (CO-DMVW). If there is a similar code that already exists in Banner, that code should be used.

Please provide a concentration code.

Mahalo,  
Princess
